Footnote. This was Erins Isle's first year in the competition. The club was formed just nine month earlier.

INTERMEDIATE FOOTBALL COMPETITION.

The first of the Intermediate semi-finals was scheduled between a Chicago Divisional Junior Selection and Donegal Philadelphia.

At the lineup for inspection of cards, prior to the game it was discovered that the Chicago Selection did not have the required cards. The game was awarded to the Donegal Philadelphia team. A challenge match was played for 25 minutes each half.

The second semi-final was between a San Francisco selection and Shannon Blues of Boston. This was also a very close game with Boston again winning by two points.

The Senior football final was played in ideal conditions. This was a very close competitive game. At the end of normal time the sides were level at 3goals 9pts each. Two periods of fifteen minutes per half were played for extra time. Both teams gave their all for the entire extra time with Philadelphia emerging the winner by a score of 3 goals 15 points to 3 goals 11 points.

Both San Francisco and Chicago emerged comfortable winners in their respective games.

Again the hurling final was played in ideal conditions. Due to the extra time having been played in the senior football final, the hurling final started at least one hour behind schedule.

In short this was a very tough often dirty game of hurling with several players requiring hospital treatment for their injuries.

At the end of normal time both teams were tied with San Francisco at 1 goal and 8 points to Chicago 11 points.

Concern was expressed by N.A.C.B. officials and the referee with regard to the fading light. Both teams were anxious to continue. San Francisco had an early flight the following morning rendering a Monday replay impractical. Taking this and the willingness of both teams to continue, it was decided to play two periods of ten minutes each half for extra time. At the end of the first period of extra time San Francisco led by two points. With approximately five minutes left to play the referee terminated the game following consultation with his lines man.

An investigation was conducted into the game in Philadelphia on 9-29-90. Both clubs were represented. Following the investigation the cup was awarded to San Francisco.
